

# Wand Dueling Instructions

1.

Choose your dueling partner. Find a space large enough for each of you to take at least three steps away from each other.

2.

Review the dueling spell chart on the reverse. *Expelliarmus* beats *Stupefy*, *Stupefy* beats *Confundus*, and *Confundus* beats *Expelliarmus*.

3.

Begin with your backs together, facing away from your partner, wands at the ready. Together, take three steps away from one another, counting to three aloud.

4.

On three, turn to face your partner, point your wand, and say your chosen spell aloud!

5.

Repeat!
