

AUGUST 2022 LITERATURE MAP CHALLENGE

HOW IT WORKS: Pick one of your favorite authors and read one of their books to start your challenge. Next, enter the author into [The Literature Map](https://www.literature-map.com) (<https://www.literature-map.com>) This will bring up with a list of similar authors. The closer to the center of the "map" they are, the closer their style will be to your original author. Choose an author from the map, then read a book by that author. To choose your third author, revisit the map, enter your second author's name, and then choose an author on the map and read one of their books. Continue the challenge in this way until you have read five books. List the authors and titles for the five books below:

1. Author: _____ Title: _____

2. Author: _____ Title: _____

3. Author: _____ Title: _____

4. Author: _____ Title: _____
